

Christine Becker

Christine joined ILS in 2018 as the Administrative Officer, providing administrative oversight of the operations of the Office.

Christine was previously the Manager of Grants and Government Contracts at NYU Langone Hospital – Long Island. In this role, she was responsible for the pre- and post-award administration of NYS grants and contracts related to economic development, capital projects, workforce development, and healthcare services. Christine’s tenure at the Hospital also includes roles in the hospital administration and fundraising.

Christine earned a Master of Public Administration degree and a Bachelor of Science degree in Healthcare Administration from Long Island University.
