Andrew M. Cuomo - Governor

Statement From Governor Andrew M. Cuomo on Settlement Regarding Indigent Legal Services

[Printer-friendly version](#)

Albany, NY (October 21, 2014)

"Today's agreement is a positive step for New York's judicial system that addresses longstanding inequities and ensures fulfillment of the constitutional promise of criminal defense counsel for those who cannot afford it. This was a problem that our administration inherited from years past, and I am proud that we have been able to reach a resolution that results in a fairer, more humane justice system."
