MEMORANDUM

To: Chief Defender & Colleague

From: Bob Dean

Date: May 31, 2022

Subject: Attached

Here is a list of significant criminal cases pending in the New York Court of Appeals and the issues presented. Cases that the Court has selected for SSM consideration are generally not included. Leave grants were to the defendant unless otherwise noted.

The Center does this update every two months for its own attorney staff. As a matter of professional courtesy, we also send it to Chief Defenders who do substantial appellate work. Feel free to distribute copies to any members of your staff. This update is also available on our web site (www.appellate-litigation.org).

Although every attempt has been made to ensure the accuracy of the summaries, no express or implied guarantees are made. If your office is handling one or more of these cases and wishes to share some insight not apparent from the intermediate appellate court decision or the Clerk's summary of issues, please feel free to contact me. Your input will be added to the next edition.

We offer a special feature to our online visitors. Our online "Eye on Eagle" section (NYCA link) includes pdf links to all decided cases, and, for selected cases, a short CAL blog flagging what we think is important or noteworthy about the cases.

Happy reading!
